## ME Dept., NIET

NIET, Plot no. 19, Gr. Noida

Website: [www.niet.co.in](http://www.niet.co.in)

Dear Reader,

A very happy new year to you at first. Hope the vacation was quite refreshing and you are now rejuvenated for new endeavors. We will be delighted to share a flashback of the happenings in the past semester.

This paper will guide you to the memory lanes and will help you to relive the moments.

Warm regards,

ME Department

### Executive VP's Message

At the outset, I gratefully acknowledge the warm response, encouraging support and interest shown by reputed organizations in recruiting our students over the years.

As a College, our Mission is to transform the lives of our students and provide the industry with ethical global leaders for the 21st century, who are sensitive towards protecting the environment and are passionate about making significant societal contributions. We aspire to develop business leadership which is capable of building resilient organizations, whilst adhering to the highest standards of Corporate Governance. We will continuously seek to create an enriching educational environment, where innovative thinking becomes a way of life.

### From HOD's Desk

The mission of the ME Course is to foster the technical, critical thinking, and communication skills necessary for students to contribute to the engineering profession and to the well-being of society.

The research activities complement our educational mission, address the ever-changing needs of industry and society, and contribute to the economic and social development of the nation. Backed by a number of well-developed laboratories such as Computer Aided Engineering Drawing Lab, the department also has well-established basic laboratories such as Basic Workshop Practice, Mechanical Testing lab, Foundry & Forging Lab, Machine Shop, Mechanical Measurements & Metrology Lab, Fluid power lab, C-Programming & MAT lab with full-fledged facilities.

## IN THIS ISSUE

- NIET Premier League
- Ebullience' 14
- Seminars
- Awards
- Techfest
- Univ fest
- MED @ 16 MP

## National Workshop

Our HOD Prof (Dr.) P. Pachauri participated and presented his views in the national workshop on "Additive Manufacturing: 3D Printing". The workshop was organized by Shiv Nadar University, G.B. Nagar on dated 17<sup>th</sup> and 18<sup>th</sup> of August 2014.

## Tamasha by UPTU

Students of Mechanical Engineering Department, NIET, Gr. Noida participated and showed their talent and were awarded with certificates at a prestigious platform of *The TAMASHA*, an inter-university competition organized by UPTU at Greater Noida in the month of August 14. Teams from various colleges participated in the event.

## G-QUASAR

Inter-college fest was organized at Galgoltia's, Greater Noida, naming it G-QUASAR in the second week of September 2014. Students of ME department NIET took part and were appreciated, won prizes in various quizzes. In another event at United Group of Institutions a Techno-Crusade Quiz was held in which NIETians proved their excellence.

## Aspiringminds

A good news for every well wisher out there, Aspiringminds awarded NIET with "National Employability Award" in the month of September 2014 for our extravagant placement records and the go getter attitude of the students inculcated during the period and the zeal to excel.

## NIET Premier League

Department of Mechanical engineering, NIET introduced NIET Premier League to develop sportsmanship in the students, the event was planned and supervised under MD Dr. O.P. Agarwal, Director Prof. (Dr.) Ajay Kumar and Director Project & Planning Prof. P. Pachauri. Teams from different academic year competed against each other.

## Ebullience' 14

Annual Techfest Ebullience 2014 was organized at NIET Greater Noida with active participation of Students and members of Mechanical engineering Department in the month of November 2014. Various events were organized on the day for instance ROBO Soccer, Seeking Erudite and other exciting events. Students of mechanical engineering were awarded and appreciated for their participation during and after the event by our honorable MD, Director and HOD.

## Geek Week

A techie event for those who are too much into gadgets & gizmos was organized by UPTU Khabar at NIET, Gr. Noida in accordance with Worlds of Wonder and other sponsors in which fest management team from mechanical engineering department actively managed the whole event in November 2014.

## Tech Trishna' 14

AKGEC organized Tech Trishna' 14, an inter-college tech fest and awarded Master Amandeep of ME 3<sup>rd</sup> year for his outstanding performance and bagged rank 1 in ROBO Soccer Tournament.

## Seminar

A seminar on "Micro/Meso-scale manufacturing processes and its application" was organized by Mahatma Gandhi Mission's College of Engineering and Technology in which Prof. Kornel Ehmann, Faculty, Manufacturing and Design Engineering of Northwestern University, Chicago, threw light on the topic on 8<sup>th</sup> of December 2014.

## DREAMS GOT WINGS

From the past placement season we have 150+ placements in various Organizations and Firms which gave wings to the dreams of the students and fly above the clouds to the seventh heaven.

- 78 Students placed from mechanical engineering department placed in TCS.
- Some got placed with Hyundai, Maruti and other major recruiters.
- Among other, some got Armaan Machineries Ltd., Ajit Automobiles, etc.
- Hope, the end of this session will be a very happy beginning to your new life.
