About The Institute ▶▶▶

“Learn through Academics & beyond. Build Strong Virtues.
Think Independently. Get Placed.”

NIET is one of the premier Engineering and Management institutes of India's National Capital Region (NCR). It was established by eminent visionaries, responsible for setting up City Educational & Social Welfare Society of Meerut, with a vision to provide value driven education of global dimensions. The institute is managed by City Educational & Social Welfare Society, which runs several prestigious educational and health organizations, viz. NIET (Noida Institute of Engineering & Technology), CVPS (City Vocational Public School), Pyramid Finishing School, Dayanand Nursing Home, Chandra Sen Charitable Hospital & Om Diagnostic Center. Noida Institute of Engineering and Technology, a self-financed institute, offering high standard quality education to students from all corners of the country, is situated in Greater Noida (a hub of global MNCs). The institute has a sprawling area of 13.90 acres and lush green ambience all around. NIET is the first private institute in Uttar Pradesh to get Autonomous status by UGC. The Institute is Accredited by NAAC (A Grade, 3.23) and NBA (CSE, ECE, ME, IT, Biotechnology, B.Pharm, MBA and MCA), NIRF (43rd in NIET Pharmacy Institute; Top 200 NIET Engineering Institute). It is developing as the Center of Excellence imparting technical education and generating competent professionals with a high degree of credibility, integrity, and ethical standards. We aim at recognizing, respecting, and nurturing the creative potential of each student.

Vision ▶▶▶

To be an institute of academic excellence in digital arena with global outreach delivering socially responsible professionals to become a university and an entrepreneurial hub.

Mission ▶▶▶

To impart quality education and hone students' skills and competencies making them future ready.

To foster an ecosystem for research, product development, innovation, incubation, and entrepreneurship.

To instill values and ethics to produce socially responsible technocrats addressing global problems.

To develop an environment for sharing and exchange of resources globally for lifelong learning.

Quality Policy ▶▶▶

Our quality policy is to develop highly skilled human resources with the ability to adopt an intellectually and technologically changing environment with the participative efforts of the management, staff, students and parents.

Values ▶▶▶

Our values are a part of our DNA. They guide the way we work.

We Focus on Results, Integrity, Innovation, Teamwork and Discipline. We have created a vibrant culture where ideas can blossom, and success can flourish.

INTEGRITY

We Act with Integrity & Show Respect

- Demonstrate a commitment to integrity and ethics
- Do not charge students for the Finishing School Training
- Show respect and value to all individuals for their diverse backgrounds, experiences, styles, approaches and ideas
- Assume positive intent

TEAMWORK

All of us are accountable

- Work with others as a team to accomplish results and win
- Celebrate success together
- Listen to others for understanding
- Personally committed to the success and well-being of teammates

INNOVATION

We keep updating ourselves with latest technologies

- Use latest technologies to train students on recent trends
- Use Inventive Processes and Unique Solutions
- Foster creative work environment
- Challenge ourselves to improve our processes and procedures

DISCIPLINE

We are focused and disciplined in our activities

- Honest and fair with each other
- Support our disciplinary system
- Abide by our policies and procedures
- Protect and uphold our values

FOCUS ON RESULTS

We Love Success

- Provide best-in-class placements to students
- Help students to be at their best by providing individualistic training
- Have a "can do" (positive) attitude and drive to take the tough calls
- Make students feel valued and appreciated

About Management >>>

Dr. Sarojini Agarwal

Chairperson NIET

Technical institutions all around the world along with the aspirations of students and parents have undergone critical transformations with time. Having successfully completed eighteen years of instituting quality education for all, NIET has been making meaningful educational transformations and accomplishing world-class standards of academic excellence. NIET has received many international and national awards for

Dr. O. P Agarwal

Managing Director, NIET

Success is not a one-shot process. It is the result of a continuous improvement after each failure. The fear of failure needs to be captured for a person to learn from his failure too. It is an invaluable opportunity to rectify errors and move forward. Failure in working for a good cause is better than success in working for a wrong cause. Over the years, NIET has built quite a special position in the private higher education sector. With its distinctive culture, it provides a clear

Dr. Neema Agarwal

Additional Managing Director, NIET

In the course of last 20 years many technical & management institutes have sprung up all over the country. Graduates passing out every year are highly optimistic, that technical courses ensure a rewarding career.

The economic, corporate and social environments are undergoing radical changes. To survive, manage and excel in this dynamically changing atmosphere; it demands engagement of professionals who are well informed, competent, courageous and versatile.

Mr. Raman Batra

Executive Vice President, NIET

This new generation is an interesting one. Most of them were born into a world where technology has always been at the forefront. These students rely on Google, texting, social media and Wi-Fi, and they view email - not letter writing - as a formal form of communication.

NIET has been helping students write their own stories since its inception. Committed to provide the best jobs by creating life-changing educational opportunities and collaborative learning environments,

NIET PGDM Program Overview ▶▶▶

The PGDM program being run by a leading school of management, NIET, is a comprehensive two year program, approved by AICTE with sole objective to create industry ready workforce on the successful completion of the program.

The program is developed and overseen by highly experienced professionals of the corporate industry who emphasizes on providing empirical and observational knowledge rather than just hypothetical lectures.

The curriculum is adapted according to the current requirements of the corporate industry in order to develop a highly skilled workforce.
