ACTIVITY BASED LEARNING REPORT

B.Tech Sem VI

Branch: CSE

Subject Name: Computer Networks

Paper Code: NCS 601

Time: 10:25-11:20

Section: A

Date: 05/04/2017

1. Title : Modes of communication

2. Methodology: Peer 2 Peer

3. Procedure for conducting the activity:

- a) Group of six students(**Gaurav Jaiswal - Deepika, Dhananjay Trivedi - Divya Verma, Aman Jain- Ankit Singh**).
- b) Make three pairs
- c) First pair perform Simplex mode of communication, In which one student always talk and other only listen.
- d) Second pair perform Half duplex mode of communication, In which both can talk and listen but not at a same time.
- e) Third pair perform Full duplex mode of communication, In which both can talk and listen at a same time.

4. Result and Analysis:

By this activity students understand the concept of Simplex, Half duplex and Full duplex very easily.
