INFORMATION TECHNOLOGY, NIET

VISION OF NIET

To be an institute of academic excellence in the field of education, with the future plan of becoming a deemed university, earn name & hence win the faith of the society.

VISION OF INFORMATION TECHNOLOGY

The department aims in leveraging Information Technology to stimulate the knowledge and enhance the creativity that fosters an open, collaborative and unifying culture in the digital world

MESSAGE FROM MANAGING DIRECTOR

Dr. Om Prakash Agarwal

You will find that everything at NIET is single mindedly focused on addressing student needs. We are clear that it is our responsibility to help our students to realize their goals in an increasingly competitive world. We have consistently produced excellent results and NIET alumni can be found at premier organizations in India and overseas. From academic excellence to leadership qualities, a nurturing environment to cutting - edge infrastructure, NIET offers everything one needs to succeed professionally.

MESSAGE FROM HOD (IT)

Dr Somesh Kumar

Dear students, I heartily welcome you all to the newly launched IT Department Newsletter for July 2017. The objective of the newsletter is to mainly focus on the achievements of the students and faculty members of the IT department, Co-curricular and Extra-curricular activities. I congratulate all my team members and editor for their constant efforts in launching this Newsletter. We are very grateful to our Management, Chairperson, AMD, Director and EVP for their support and encouragement.

MISSION OF IT DEPARTMENT

M1: To produce competitive IT professionals for organizations by imparting quality education in an integrated technological arena

M2: To empower faculty members and students on latest IT technologies through training and research.

M3: To inculcate ethics and moral values among the students.
