

NOIDA INSTITUTE OF ENGINEERING AND TECHNOLOGY
GREATER NOIDA
DEPARTMENT OF MECHANICAL ENGINEERING
Plan for Activities
ODD Semester-2016-17

Vision of the Department

The Mechanical Engineering Department envisions to be recognized globally for its outstanding technical education and research capabilities to address ever-changing global issues.

Mission of the Department

- To develop state-of-the-art research facilities to provide opportunities to interpret, apply, disseminate and create knowledge.
- To deliver outcome based research-led education to undergraduate and postgraduate students.
- To be dynamic, innovative and flexible in devising programs, structures and mechanisms to cope with the changes.
- To equip the students with academic, corporate and entrepreneurial leadership, communication skills and global awareness required by the engineering profession and society in general.
- To establish an environment that encourages and builds an exemplary degree of citizenship, professional and personal integrity, and ethical behavior.
