Dr. Vinod M Kapse(Director)

Ever Since its inception in 2001 our endeavor at NIET has been to provide excellent quality of education and training to young minds aspiring to become engineers, managers, pharmacists and technocrats.

We motivate our students to dream big and guarantee that we include the right spirit and the necessary talent to realize their objective. We also continuously strive to instill ethical values in our wards so that they become responsible citizen of tomorrow.

NIET has always stood for quality and excellence and we make every effort to constantly reminiscent and improve ourselves. These efforts have been recognized, appreciated and awarded by prestigious educational bodies both in India and abroad.

Dr. V K Pandey(HOD)

Electronics Engineering is a dynamically changing and widening branch of the engineering professional having applications in every discipline of engineering. It is the driving force behind rapid development in latest technological growth. Electronics and communication engineering provides excellent career opportunities in various sectors of Industries. The department has fine blend of qualified and experienced faculty and staff members. We are continuously striving hard to improve upon the quality of education and maintain its position.

The main goal of the department is to develop innovative professionals and researchers in line with the requirement of industry and research organizations . In NIET we are committed to create an environment for the students where they can develop critical thinking and problem solving skills. I am confidently saying that our students will prove to be the valuable asset for any organization.
