School of Mechanical Engineering

B.Tech in Mechanical Engineering
M.Tech in Mechanical Engineering

School Of Electronics & Communication Engineering

B.Tech in Electronics & Communication Engineering
M.Tech in Electronics & Communication Engineering (VLSI DESIGN)

School of Biotechnology Engineering

B.Tech in Biotechnology
M.Tech in Biotechnology

School of Computer Application

Masters in Computer Application
Masters in Computer Application (Integrated)
Masters in Computer Application (Online Mode)

School of Management

Post Graduate Diploma in Management
MBA
MBA- (Innovation, Entrepreneurship & Venture Development)
BBA + MBA (Integrated)
MBA (Online Mode)
MBA (Open Distance Learning Mode)

Pharmacy Institute

Diploma in Pharmacy (D. Pharma)
Bachelor of Pharmacy (B. Pharma)
Master of Pharmacy (M. Pharma)

About

Institute

Established in 2001 and ranked amongst the top institutes of India, NIET is one of the premier Engineering and Management institutes of India's National Capital Region (NCR). It was established by eminent visionaries, responsible for setting up City Educational & Social Welfare Society of Meerut, with a vision to provide value driven education of global dimensions. The institute is managed by City Educational & Social Welfare Society, which runs several prestigious educational and health organizations, viz. NIET (Noida Institute of Engineering & Technology), CVPS (City Vocational Public School), Pyramid Finishing School, Dayanand Nursing Home, Chandra Sen Charitable Hospital & Om Diagnostic Center.

'Powering the Thinkers and Innovators of Tomorrow'

School of Future Skills at NIET aims to provide multidisciplinary education that offers skills for future jobs and knowledge for modern world by offering learning program in 21st century skills. It aims to develop and nurture competency and capability of individuals which are essential to succeed in job market and personal space. It's main objective is to encourage students to think clearly, analyse critically and express themselves with clarity by working in collaboration through micro programs and workshops on skills like:

- | | |
|------------------------|---|
| Design Thinking | Creativity and Problem solving |
| Communication | Leadership |
| Collaboration | Critical Thinking and Emotional Intelligence |

School of Future Skills conduct sessions which are highly engaging and give students flexibility to learn through various activities and case studies. It also conducts workshops for schools, colleges and working professionals with the aim to foster a wide range of cognitive skills and open mindedness amongst all.

**Make Your
Academic Journey
Truly International!**

NIET

The First & only Institute in North India offering Twinning Program

The Program Designed to Disseminate the Participants about the Increasingly Globalized Economic Environment.

NIET's twinning program is a platform to learn global business and broaden your knowledge about various aspects of globalizing economies. It is an opportunity to enhance your ability to work in cross-cultural environment.

Partner Universities

- James Cook University, Singapore*
- Management & Science University, Malaysia*
- Ajman University, UAE*
- University of Malta, Malta*
- Asia Pacific University of Technology & Innovation (APU), Malaysia
- Universitas Diponegoro, Indonesia
- Cebu Normal University, Philippines
- CGC Aarhus University, Denmark
- Skyline University College, Sharjah UAE
- Institut Teknologi Sepuluh Nopember, Indonesia
- Daffodil International University, Sri Lanka
- Mira Costa College, United States
- Kalaslingam Academy of Research & Education, Tamil Nadu
- Lovely Professional University (LPU), Punjab

* Offering in the Current Session

Courses Offered

Under Graduate Courses

- B.Tech in Computer Science & Engineering
- B.Tech in Information Technology
- B.Tech in CSE (Artificial Intelligence and Machine Learning)
- B.Tech in CSE (Artificial Intelligence)

Post Graduate Courses

- Masters in Computer Application (MCA)
- Masters in Business Administration (MBA)

Twinning Program (For Foreign Students)

The twinning program is an innovative educational concept that uses institution-to-institution partnerships and peer relationships and broadens the scope of educational program by providing opportunity and access for candidates of partnering institutions aspiring to pursue higher studies. It emphasizes on professional exchanges and mentoring for the effective sharing of information, knowledge, and technology. We welcome the students from our partner institutions to NIET to explore an enticing journey of learning and culture.

Twinning Program (For NIETians)

NIET offers it's students, a chance to gain international exposure in terms of different student exchange programs including Study tours, Semester Exchange and Twinning programs. This kind of exposure not only boosts the confidence of the students but also provides a new learning environment, chances of learning new languages and understanding different cultures.

NIET has partnered with many Universities and Institutions across the globe including Europe, Asia, and North America.

Admission
