

CIRCULAR
(Minority Cell)

The **Minority Cell** of the institute is dedicated to empowering students from minority communities. It serves as a support mechanism that assists minority students in both their academic and social development. The Cell facilitates access to financial aid from government agencies and other sources and enables students to participate in career orientation programs, thereby equipping them with the necessary skills and knowledge for diverse career opportunities.

Functions:

- Enhancing equal opportunities for the education of minority students
- Facilitating financial assistance from government agencies and other sources for students from minority communities.
- Creating awareness among minority students about various scholarship programs offered by the State Government and UGC.
- Ensuring a safe and secure environment for all minority students.
- Encouraging participation in career orientation programs to empower students with the skills required to choose suitable career options.
