Date: 31-01-2024

Notice

Deadline for Submission of Industrial Internship/Project Details (Even Sem / 2023-24)

Attention to all 4th-year B.Tech of VIII semester students: This is to notify that, as per the meetings held on **January 4th and 25th, 2024**, thoroughly discussed the enrollment and evaluation procedures for the Industrial Internship/Project. It is expected that all students are now familiar with the Industrial Internship/Project process. It was also mentioned in the meeting that the last date to enroll in the Industrial Internship/Project is **February 1st, 2024**.

Now, all the students must submit the details of your Industrial Internship/Project work. The deadline for submission of Industrial Internship/Project Details is **3rd February, 2024**. Make sure all the students must complete your Industrial Internship/Project work before the deadline. The dead line for completing the Industrial Internship/Project work is **30th April, 2024**. The roadmap, along with the time-line for Industrial Internship/Project evaluation process will be displayed soon.

- Those students opted Industrial Internship submit the details through the following link below before **3rd February, 2024**.

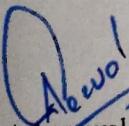

<https://forms.office.com/r/ArYyZjhZm0>

- Those students opted for Project work, the following points should be kept in mind before selecting a project topic:
 1. The topic of the project should be innovative and research-oriented, related to the mechanical field.
 2. Each project group should have 3 to 4 students.
 3. Each faculty can take maximum of two groups.

The deadline for submission of the Project title and supervisor details in the prescribed format (B.Tech Project Topic Proposal Form.pdf) is **3rd February, 2024** in hard copy to Project Coordinator in room no. 417B.

A detailed list of faculties and their research area is attached herewith for reference.

Note: Any student failing the dead line to compliance the documents will be liable to a fine of Rs. 1000 per day. No student will be entertained after 9th February, 2024.
