GET FUTURE READY!

WWW.NIET.CO.IN

CHIEF PATRONS

Dr. Sarojini Agarwal

Chairperson, NIET

I feel immense pride in seeing the launch of our college's Bi-Annual newsletter, which reflects the academic excellence and vibrant creativity that define NIET. I hope this magazine not only highlights our accomplishments but also motivates and inspires everyone in our college community.

Dr. O. P. Agarwal

Managing Director, NIET

I am delighted to witness the release of our college's Bi-Annual newsletter, a testament to the hard work, creativity, and dynamic spirit that characterizes the NIET family. My appreciation goes to the Department of Students Welfare for their dedicated efforts in bringing this publication to life. I am confident that this edition will not only recognize the outstanding accomplishments of our students but will also encourage and energize our entire academic community.

Dr. Neema Agarwal

Additional Managing Director, NIET

It fills my heart with joy to see the unveiling of our college's Bi-Annual newsletter, thoughtfully crafted through the dedication of the Conventus Club and creatively shaped by the Spectrum Club. This publication stands as a celebration of the achievements and vibrant spirit of our NIET community. I truly hope this edition continues to spark curiosity, nurture new ideas, and inspire each reader to pursue excellence in all their endeavors.

Dr. Vinod M Kapse

Director, NIET

It is truly heartening to witness the release of our college's Bi-Annual newsletter, a platform that celebrates academic accomplishments and creative contributions of our vibrant college community. I hope this edition continues to ignite curiosity, foster innovation, and encourage every reader to strive for excellence.

Dr. Anil Ahlawat

Director (Academics), NIET

The launch of NIET Times, our bi-annual newsletter, is truly inspiring. It highlights the academic excellence and innovative spirit of our college, showcasing the achievements of our students and faculty. Kudos to everyone involved in bringing this edition to life. May it continue to foster learning, creativity, and critical thinking across our institution.

Dr. Manish Kaushik

Dean Students' Welfare, NIET

It's always a joy to see our students' voices, talents, and ideas come alive through the pages of our Bi-Annual Newsletter. This edition is not just a collection of words and pictures—it's a celebration of who we are as a community. I know you will find inspiration, and motivation tucked in its pages. Keep expressing, keep growing!

Ms. Kanika Jindal

Associate Dean Students' Welfare, NIET

It's wonderful to see the energy and enthusiasm of our students captured so beautifully in this newsletter. Each article, poem, and piece of art reflects the creativity and spirit that make our campus so special. I'm incredibly proud of those who have contributed in the magazine. May this magazine continue to be a space where NIETians talent shine!

STUDENTS' WELFARE

BUILDING SKILLS, INSPIRING CHANGE

The Department of Students' Welfare at NIET is committed to safeguard students' rights apart from nurturing their overall growth through mentorship, career guidance, and skill development. By organizing health initiatives, extracurricular activities, and community engagement projects, department enriches campus life and cultivates leadership abilities. The department also provides open platforms for dialogue, empowering students to grow into socially responsible professionals. With this holistic approach, the department supports students in achieving academic success and developing essential life skills, equipping them to thrive in their careers and contribute to society.

SUPPORTING STUDENT SUCCESS AND GROWTH

The department also encourages open conversations and creates safe spaces where students can share their thoughts and concerns. This approach nurtures confidence and a sense of responsibility, preparing students not just for their future careers, but also for meaningful roles in society. It believes in a well-rounded education that balances intellectual growth with personal and social development.

In addition, it works closely with various clubs and student organizations to promote teamwork and creativity. Through continuous support and guidance, the Department of Student Welfare plays a vital role in shaping confident, capable, and socially conscious individuals ready to face the challenges of tomorrow.

REPUBLIC DAY 2025

COLOURS OF PRIDE UNFOLD ON CAMPUS

NIET celebrated Republic Day with great pride and solemnity, bringing together students, faculty, and staff in a heartfelt tribute to the nation. The occasion was marked by a vibrant cultural program and patriotic fervor that reflected the core values of unity, diversity, and civic responsibility.

The celebrations began with a spirited parade led by **Dr. Neema Agarwal**, Additional Managing Director, followed by the ceremonial flag hoisting by **Dr. Vinod M. Kapse**, Director, NIET. The national anthem resonated across the campus, instilling a deep sense of pride and respect among all present.

Students showcased a series of cultural performances, including patriotic songs, dance, and speeches that highlighted India's rich heritage and democratic ideals. The event served not only as a commemoration of the Constitution but also as a reminder of our shared responsibility toward building a better nation.

The ceremony concluded with an inspiring message from the leadership, encouraging students to uphold the values of integrity, excellence, and service. The event reaffirmed NIET's commitment to nurturing not just academic achievers, but socially responsible citizens.

VASANT PANCHAMI

HONORING WISDOM, CULTURE, AND CREATIVE SPIRIT

The sacred festival of Vasant Panchami was observed with great devotion at NIET, paying homage to the goddess of knowledge, music, and arts. The ceremony emphasized the pursuit of wisdom, cultural preservation, and creative enlightenment. Students and faculty participated in traditional rituals, fostering reverence for education while celebrating India's rich spiritual heritage. The event served as a reminder of the institution's dedication to holistic growth, blending academic excellence with timeless values.

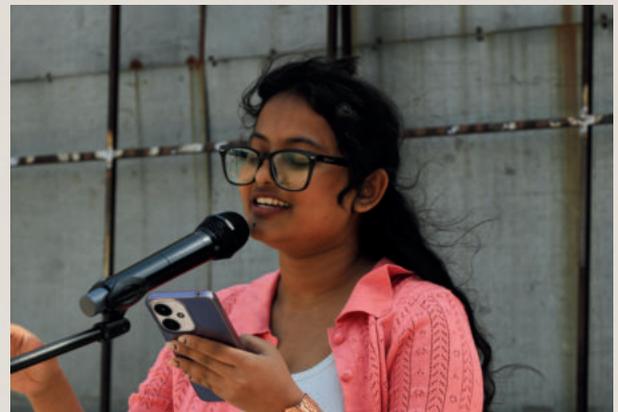

BOOK LAUNCH

ENGINEERS WRITING SHAYARI?

Sangrachna's *Ishq-e-Bebasi* book launch redefined Valentine's Day with an evening of soulful verse and intellectual romance. The event unfolded as a tapestry of emotions, where faculty, students, and the DSW president delivered witty sher and poignant shayari on love's myriad hues—from heartbreak to hope. The grand reveal of Sangrachna's poetry anthology became the night's crescendo, with the audience savoring excerpts performed by the authors themselves.

More than a book launch, it was a celebration of vulnerability and artistry, proving that engineering campuses thrive on both equations and eloquence. The team's triumph lay in transforming a literary milestone into a collective emotional experience.

MELORAGA

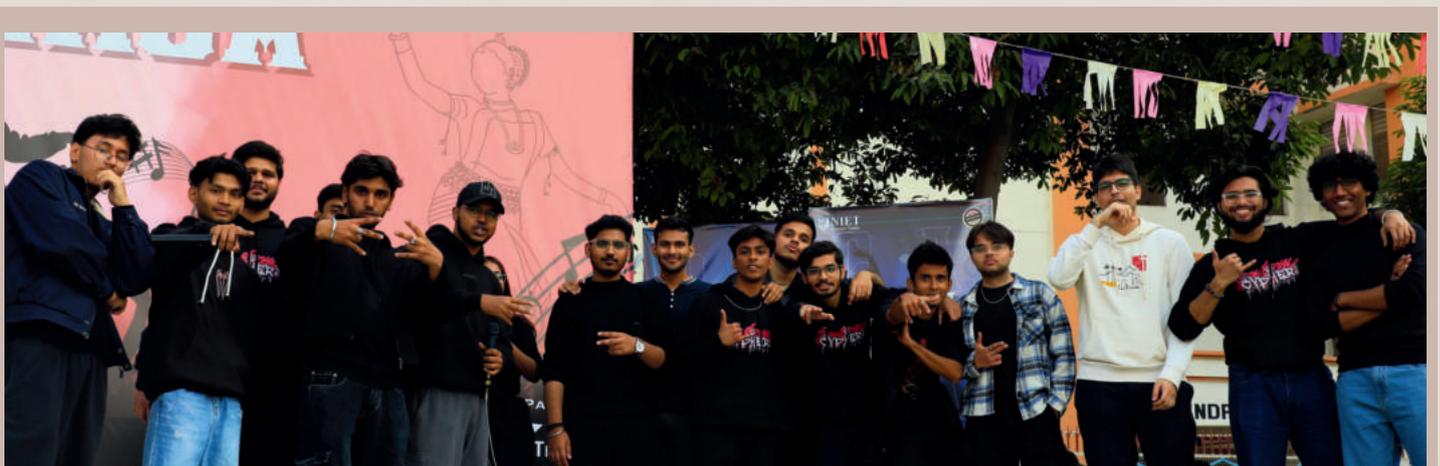

MELORAGA PROVED ART SPEAKS EVERY LANGUAGE!

Meloraga was a vibrant celebration of musical diversity and artistic expression at NIET. The event featured a rich blend of performances across genres such as classical, rap, Bollywood, and qawwali. Students showcased their talents through singing, rapping, skits, and dance, captivating a spirited audience. With intercollegiate participation and healthy competition, Meloraga promoted creativity, cultural appreciation, and stage confidence, offering a dynamic platform for expression and collaboration. The event left a lasting impression of youthful energy and artistic excellence.

Organized with the vision to promote cultural appreciation and collaborative spirit, Meloraga offered students a powerful platform to express themselves, connect with peers, and step beyond their comfort zones.

DEEP AI SUMMIT

AI, IDEAS & INSIGHTS

The Deep AI Summit 2025 convened AI professionals, students, and enthusiasts for a dynamic exploration of emerging technologies and innovations in artificial intelligence. Through expert-led panel discussions on AI ethics, machine learning, and business transformation, the summit offered valuable insights into real-world applications and future trends. Interactive Q&A sessions enriched the discourse, while networking opportunities fostered cross-disciplinary connections. The event empowered participants with a deeper understanding of AI's evolving landscape, ethical dimensions, and transformative role across industries.

Students showcased a series of cultural performances, including patriotic songs, dance, and speeches that highlighted India's rich heritage and democratic ideals. The event served not only as a commemoration of the Constitution but also as a reminder of our shared responsibility toward building a better nation.

The ceremony concluded with an inspiring message from the leadership, encouraging students to uphold the values of integrity, excellence, and service. The event reaffirmed NIET's commitment to nurturing not just academic achievers, but socially responsible citizens.

WOMEN'S DAY 2025

A WALK FOR EQUALITY AND EMPOWERMENT

NIET commemorated International Women's Day 2025 with a vibrant and inspiring parade led by Dr. Neema Agarwal, Additional Managing Director. She was joined by the institution's women faculty and staff, creating a powerful display of unity and empowerment across the campus.

The walk symbolized strength, solidarity, and NIET's unwavering commitment to supporting women in all spheres of life. It served as a meaningful tribute to the resilience, achievements, and contributions of women—both within the institution and in society at large.

“SHE LEADS THE WAY”

EBULLIENCE SPORTS MEET

A CELEBRATION OF SPIRIT AND SKILL AT NIET

The grand finale of Ebullience-25, NIET's annual sports meet, was held on 8th March 2025, concluding three months of intense interdepartmental competitions. Organized by the Department of Students' Welfare, the event saw 2,342 students and 47 faculty members participate in a wide range of sports, including cricket, football, volleyball, kho-kho, kabaddi, basketball, badminton, table tennis, athletics, and chess.

CSE Department emerged as the overall champions, with IOT, DS, and AIML displaying strong performances. Highlights included thrilling finishes in track events, powerful performances in throws, and hard-fought victories in team games.

The prize ceremony, graced by Dr. O.P. Agarwal and Dr. Neema Agarwal, celebrated the athletes' dedication, while Dr. Manish Kaushik expressed gratitude to all contributors.

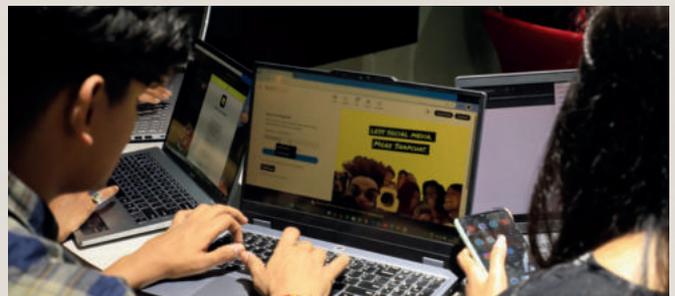

“CHAMPION’S TROPHY 2025: CSE DEPARTMENT – A WELL DESERVED WIN!”

EBULLIENCE - TECH FEST

INNOVATION, COMPETITION, AND PURE ENERGY

EBULLIENCE, NIET's flagship technical festival, ignited campus energy with an exhilarating showcase of innovation and talent. Organised by the institute's premier coding clubs, the fest featured high-octane events like the Escape Room tech hunt, immersive AR/VR experiences, and competitive hackathons. Robotics contests and drone showcases highlighted students' technical prowess. With a seamless mix of competition, creativity, and collaboration, EBULLIENCE offered a dynamic platform for aspiring engineers to shine and engage with industry leaders, reaffirming its status as NIET's most awaited celebration of tech excellence.

The festival also featured expert talks, panel discussions, and interactive sessions with industry professionals, giving participants valuable insights into emerging technologies and career trends. Whether competing in hackathons, experimenting with hardware, or just exploring exhibits, students walked away with fresh perspectives, stronger networks, and a renewed passion for tech. EBULLIENCE wasn't just a fest—it was a high-voltage experience that sparked inspiration and celebrated the future of engineering.

CALCULUS OF INNOVATION

SOLVING REAL PROBLEMS, ONE IDEA AT A TIME.

Calculus of Innovation 3.0, organized by NIET, was a dynamic hackathon that empowered students to solve real-world challenges using a design thinking approach. Participants engaged in problem analysis, ideation, prototyping, and solution presentation, fostering innovative and structured thinking. The event emphasized collaboration, technical skill-building, and exposure to industry-relevant problems. Guided by mentors, students developed user-centric solutions while refining their analytical and creative abilities. It also encouraged peer learning and networking. Overall, the event successfully inspired participants to think beyond conventional boundaries and apply their knowledge in impactful ways.

The hackathon emphasized not only innovation but also the importance of collaboration, peer learning, and exposure to industry-relevant problem statements. It created a vibrant environment where participants could network, exchange ideas, and push their boundaries beyond traditional academic frameworks. More than a competition, Calculus of Innovation 3.0 was a learning experience that inspired students to apply their knowledge meaningfully and develop solutions that could make a real-world impact.

ESCAPE ROOM

TEAMWORK MAKES THE ESCAPE WORK

ESCAPE ROOM 2025 challenged participants to navigate high-pressure scenarios designed to assess both technical acumen and soft skills. From coding and debugging tasks to engineering puzzles, each round tested critical thinking, adaptability, and teamwork. Conducted across two sessions, the event mirrored real-world demands—encouraging swift decision-making, logical reasoning, and collaborative problem-solving in a dynamic, engaging format.

The immersive setup, complete with themed rooms and time-bound challenges, heightened the thrill and urgency of the experience. Participants had to rely on both individual strengths and team synergy to crack complex clues under pressure.

AR / VR ODDYSEY

FROM CAMPUS WALKS TO VIRTUAL QUESTS

AR/VR Odyssey revolutionized campus exploration by overlaying digital artefacts onto physical spaces. Participants engaged in timed scanning missions, decoding spatial puzzles to collect virtual rewards. This augmented reality experience enhanced technical proficiency, environmental awareness, and collaborative problem-solving. The event demonstrated how immersive technology can develop cognitive skills while engaging students. Post-assessment data confirmed significant improvements in pattern recognition, observational precision, and technological adaptability, proving AR's educational value in fostering next-generation competencies.

Beyond entertainment, AR/VR Odyssey served as a powerful learning tool—enhancing participants' technical proficiency, environmental awareness, and collaborative problem-solving. The seamless integration of AR technology with educational challenges highlighted its potential in modern learning environments. Post-event assessments revealed noticeable improvements in participants' pattern recognition, observational accuracy, and adaptability to new tech interfaces. The event underscored how immersive technologies like AR can be harnessed to cultivate essential 21st-century skills in innovative and engaging ways.

MODEL UNITED NATIONS

DEBATE, DIPLOMACY, AND DEVELOPMENT

The Conventus Model United Nations (CMUN) 2025, hosted by NIET, served as a dynamic platform for dialogue, diplomacy, and youth engagement. The two-day offline conference centered on the UN Sustainable Development Goals and featured four committees—UNSC, UNHRC, AIPPM, and International Press. Delegates explored global issues through constructive debate and negotiation. The event also included cultural performances and inter-institute participation, enriching the overall experience. CMUN 2025 concluded with recognition of excellence and set a benchmark for student-led initiatives and leadership.

SANSKRITI 3.0

NIET CELEBRATES HERITAGE WITH SANSKRITI 3.0

Sanskriti 3.0, organized by the Kathputliyan Club in collaboration with SPIC MACAY, was a vibrant cultural event held on 29 March 2025 at NIET Greater Noida. The event celebrated the rich heritage of Indian classical arts and provided a platform for students to connect with artistic traditions. The highlight of the evening was a mesmerizing Bharatnatyam performance by the distinguished artist Ms. Ragini Chandershekar, whose graceful and expressive dance captivated the audience.

Sanskriti 3.0 served as a beautiful confluence of talent, passion, and cultural pride, showcasing the dedication of the Kathputliyan Club in promoting cultural awareness on campus. This event not only entertained but also inspired the students to appreciate and preserve India's artistic legacy, making it a memorable celebration of culture and creativity.

TAAL TARANG

NRITYABHAKTI'S SPECIAL DAY: A MASTERCLASS WITH MS. MADHURI

Nrityabhakti organized a week-long Grand Dance Workshop to promote Indian performing arts through Classical, Folk, and Bollywood dance forms. Over six choreographies were taught, with students learning under expert guidance and exploring cultural roots through movement. The final day, marked as the Special Day, featured esteemed classical dancer Ms. Madhuri, who choreographed a graceful piece exclusively for the team. Her presence enriched the workshop with professional insight and inspiration, making it a memorable and transformative experience for all participants.

Ms. Madhuri's presence elevated the experience, offering professional insight, constructive feedback, and powerful inspiration. Her interaction with the students added depth to their learning and reinforced the importance of preserving classical art forms in modern platforms. The workshop concluded on a high note, not only with polished performances but also with a renewed sense of purpose and passion for dance. It was a truly transformative experience that reflected Nrityabhakti's commitment to artistic excellence and cultural enrichment.

SANSKRITI 3.0

A NIGHT OF CINEMATIC GLORY AT SANSKRITI 3.0

Sanskriti 3.0, held on April 10, 2025, was a vibrant celebration of Indian cinema, hosted by the MegaPixels Club under the Department of Student Welfare and proudly sponsored by LacySnacks. The theme was “Retro vs Bollywood” and the event brought together the elegance of classic films and the energy of modern Bollywood.

Students captivated the audience with iconic dialogues, expressive dances, and dynamic performances that paid tribute to cinematic legends.

The evening was a lively mix of nostalgia and glamour, filled with cheers, creativity, and cultural pride.

Sanskriti 3.0 was more than just an event—it was a heartfelt homage to the magic of Indian cinema, brought alive on stage with passion and flair.

PRASTUTI

FRAMES OF CREATIVITY SHINE BRIGHT

The Megapixels Club of NIET successfully organized its annual photography exhibition, Prastuti, to showcase student talent and promote the art of visual storytelling. Featuring over 100 curated photographs across themes like nature, street, portraiture, and abstract art, the exhibition drew enthusiastic participation from students and faculty alike. Highlights included the 'Photo of the Day' feature, interactive sessions with guest photographers, and valuable discussions on photographic techniques.

The Audience Choice Award added an engaging element, while the concluding felicitation ceremony honored creative excellence. Prastuti stood out as a platform of inspiration and artistic expression within the NIET community.

The exhibition's success echoed beyond the venue, with selected works featured on NIET's digital platforms. Prastuti continues to evolve not just as an exhibition, but as a movement to nurture and elevate young creative voices.

ALUMINI MEET 2025

BENGALURU CHAPTER ALUMNI MEET CELEBRATES THE TIMELESS NIET SPIRIT

The Bengaluru Chapter of the NIET Alumni Meet was a memorable evening that brought together alumni from across batches to reconnect, reminisce, and celebrate their shared bond with the institution. The event was graced by Dr. O.P. Agarwal (Managing Director), Dr. Neema Agarwal (Additional Managing Director), Dr. Vinod M. Kapse (Director, NIET), and esteemed faculty members, adding warmth and encouragement to the gathering.

With heartfelt conversations and vibrant interactions, the meet served as a beautiful reminder that while time may pass, the NIET spirit remains timeless. More than 200 alumni of the institute gathered at The Leela Palace, Bengaluru.

PRITHVI 3.0

MR. AND MISS EARTH NIET SHINE AT PRITHVI 3.0 EARTH DAY FESTIVITIES

Prithvi 3.0, NIET's annual Earth Day celebration, transformed the campus into a hub of ecological dialogue promoting sustainability among students. Featuring artistic performances conveying conservation messages, the event centered around the Mr. and Miss Earth NIET competition where participants showcased environmental knowledge through themed attire and speeches before expert judges. Beyond raising ecological awareness, the competition developed students' public speaking and leadership abilities. Prithvi 3.0 ultimately reinforced NIET's dedication to fostering an environmentally conscious, socially responsible, and creatively empowered generation.

INDUSTRY ADVISORY BOARD MEETING

NIET Greater Noida convened its Industry Advisory Board meeting on 10th May 2025 at Jaypee Resort, Greater Noida. The event brought together 28 esteemed industry representatives from leading organizations, fostering robust dialogue between academia and industry. Discussions centered on current industry trends, alignment of curriculum with workforce requirements, and strategies for enhancing students' employability and skill development. The collaborative spirit of the meeting underscored NIET's commitment to bridging the gap between education and industry expectations. Insights shared by the advisory board are set to shape future academic programs and strengthen industry partnerships, ensuring students are well-prepared for evolving professional landscapes.

FAREWELL 2025

NIET BIDS A WARM FAREWELL

NIET Greater Noida came together to celebrate the memorable journey of the graduating Class of 2024 with a heartfelt farewell event. Marking the end of an important chapter and the beginning of new adventures, the farewell was filled with nostalgia, laughter, and warm wishes. Students, faculty, and staff shared stories, expressed gratitude, and celebrated the bonds formed over the years.

The event was a beautiful tribute to the hard work, growth, and achievements of the outgoing batch. As the Class of 2024 prepares to step into their professional journeys, NIET sends them off with pride, encouragement, and the hope that they carry the spirit of the institution with them wherever they go. Here's to new beginnings and lifelong memories!

LEADERSHIP PROGRAM

460 FACULTY UNITED FOR LEADERSHIP PROGRAM

NIET Greater Noida hosted a two-day Leadership Excellence Program and Faculty Team Building & Wellness Workshop at Stellar Gymkhana, bringing together 460 faculty and leadership members. Under the theme "Recharge, Reconnect, Realign - For a Stronger Tomorrow," the retreat focused on enhancing team bonding, emotional well-being, and institutional synergy through engaging activities. Participants from various departments strengthened collaboration and renewed their sense of purpose. Emphasizing both professional growth and wellness, the program aimed to prepare the NIET community for future challenges with resilience and motivation. Certificates were awarded to acknowledge the dedication of all attendees.

ALUMINI MEET 2025

REKINDLING BONDS ON CAMPUS

The Delhi NCR Chapter of the NIET Alumni Meet, held on 14 June 2025 at the NIET campus, was a memorable evening that brought together over 250 alumni from various batches to reconnect and celebrate their enduring bond with the institution. The event was honored by the presence of Dr. O.P. Agarwal (Managing Director), Dr. Neema Agarwal (Additional Managing Director), Dr. Vinod M. Kapse (Director, NIET), along with respected faculty members, whose participation added warmth and inspiration to the gathering. Filled with heartfelt conversations and lively interactions, the meet beautifully reflected the timeless spirit of NIET, reminding everyone that though years may pass, the connection to the college remains strong and vibrant.

CONVOCATION

A NEW BEGINNING

NIET (Noida Institute of Engineering and Technology), Greater Noida, proudly hosted its Convocation ceremony for the Class of 2024 on June 28, 2025. Themed "Convocation 2025 - A New Beginning," this significant event celebrated the remarkable accomplishments of the graduating students as they prepared to embark on their professional journeys.

The ceremony was graced by Prof. (Dr.) Jai Prakash Pandey, the Hon'ble Vice-Chancellor of Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow, who served as the Chief Guest. This milestone marked not only the conclusion of the students' academic pursuits but also the exciting threshold of their careers ahead. To ensure wider accessibility, the entire event was live-streamed on the Ten News Noida YouTube channel and received coverage by Ten News, allowing families and well-wishers to join in the celebration from afar.
