25
years of
Excellence

GET FUTURE READY!

WWW.NIET.CO.IN

CHIEF PATRONS

Dr. Sarojini Agarwal

Chairperson, NIET

I take immense pride in the second edition of our college's bi-annual newsletter, which reflects the academic excellence and vibrant creativity that define NIET. I hope this magazine not only highlights our accomplishments but also motivates and inspires everyone in our entire community.

Dr. O. P. Agarwal

Managing Director, NIET

I am delighted to witness the release of the second edition of our college's bi-annual newsletter, a testament to the hard work, creativity, and dynamic spirit that define the NIET family. I extend my appreciation to the Department of Student Welfare for their dedicated efforts in bringing this publication together. I am confident that this edition will not only recognize the outstanding accomplishments of our students but will also encourage and energize our entire academic community.

Dr. Neema Agarwal

Additional Managing Director, NIET

It fills my heart with joy to see the release of our college's Bi-Annual newsletter, thoughtfully crafted through the dedication of the Conventus Club and creatively shaped by the DSW Media Team. This publication stands as a celebration of the achievements and vibrant spirit of our NIET community. I truly hope this edition continues to spark curiosity, nurture new ideas, and inspire each reader to pursue excellence in all their endeavors.

Dr. Vinod M Kapse

Director, NIET

It is truly heartening to witness the release of our college's bi-annual newsletter, a platform that celebrates the academic accomplishments and creative contributions of our vibrant college community. I hope this edition continues to ignite curiosity, foster innovation, and encourage every reader to strive for excellence.

Dr. Anil Ahlawat

Director (Academics), NIET

The release of NIET Times, our bi-annual newsletter, is truly inspiring. It reflects the academic excellence and innovative spirit of our college, showcasing the achievements of our students and faculty. Kudos to everyone involved in bringing this edition together. May it continue to foster learning, creativity, and critical thinking across our institution.

Dr. Manish Kaushik

Dean Students' Welfare, NIET

It's always a joy to see our students' voices, talents, and ideas come alive through the pages of our bi-annual newsletter. This edition is more than a collection of words and pictures—it is a celebration of who we are as a community. I hope you find inspiration and motivation within its pages. Keep expressing, keep growing!

Ms. Kanika Jindal

Associate Dean Students' Welfare, NIET

It's wonderful to see the energy and enthusiasm of our students captured so beautifully in this newsletter. Each article, poem, and piece of art reflects the creativity and spirit that make our campus so special. I am incredibly proud of those who have contributed to the magazine. May this magazine continue to be a space where NIETians' talents shine!

STUDENTS' WELFARE

BUILDING SKILLS, INSPIRING CHANGE

The Department of Students' Welfare at NIET is committed to safeguard students' rights apart from nurturing their overall growth through mentorship, career guidance, and skill development. By organizing health initiatives, extracurricular activities, and community engagement projects, department enriches campus life and cultivates leadership abilities. The department also provides open platforms for dialogue, empowering students to grow into socially responsible professionals. With this holistic approach, the department supports students in achieving academic success and developing essential life skills, equipping them to thrive in their careers and contribute to society.

SUPPORTING STUDENT SUCCESS AND GROWTH

The department also encourages open conversations and creates safe spaces where students can share their thoughts and concerns. This approach nurtures confidence and a sense of responsibility, preparing students not just for their future careers, but also for meaningful roles in society. It believes in a well-rounded education that balances intellectual growth with personal and social development.

In addition, it works closely with various clubs and student organizations to promote teamwork and creativity. Through continuous support and guidance, the Department of Student Welfare plays a vital role in shaping confident, capable, and socially conscious individuals ready to face the challenges of tomorrow.

PLANTATION DRIVE

COMMITMENT TO A GREENER CAMPUS

The Plantation Drive by the **Green Gold Society** focused on promoting environmental sustainability through the Project: **500 Plants** initiative. Conducted in phases across campus green belts and premises, the drive emphasized increasing green cover while encouraging ecological responsibility within the institute.

Native and beneficial plant species were planted as part of the initiative, with active involvement from students, faculty, and authorities. A special Birthday Plantation Mission further strengthened long-term commitment to nature by encouraging continued participation beyond the event. The drive reflected NIET's vision of fostering a clean, green, and sustainable campus through collective action.

ANIMAL FEEDING DRIVE

KINDNESS BEYOND WORDS

The Animal Feeding Drive, organized by the Green Gold Society near the main campus, focused on supporting the welfare of stray and roadside animals. Nutritious food was distributed to dogs, puppies, cows, and other animals, with active participation from students and coordinators. The initiative encouraged compassion, empathy, and a sense of responsibility toward voiceless beings, while promoting awareness about animal welfare and humane care. The drive reflected NIET's commitment to socially conscious action and fostering kindness within the campus community.

BANDHAN 3.0

THREADS OF CARE AND TOGETHERNESS

The spirit of Raksha Bandhan came alive on the NIET campus, creating a heartfelt celebration of love, unity, and togetherness. Organized by the **Khushiyan Baaton Club**, the event brought together members of the NIET family and girls from Rainbow School in an atmosphere filled with warmth and shared joy.

The celebration featured engaging bonding activities such as rakhi-making and thoughtful interactions that reflected the true essence of the festival. Smiles, laughter, and meaningful exchanges marked the day, strengthening the bond of familiarity across the campus. Bandhan concluded as a memorable celebration, reinforcing community spirit and leaving behind lasting impressions of care and connection.

CYPHER JAM

PASSING THE MIC, AMPLIFYING VOICES

Cypher Jam, organized by the Cypher Club, turned the spotlight on rap culture and freestyle expression through a high-energy open-mic experience. Built around the theme “Pass the Mic,” the event invited students to step up, drop original verses, and flow with spontaneity—boosting confidence, creativity, and raw self-expression.

The cypher-style setup kept the energy alive, encouraging collaboration, improvisation, and respect for diverse styles and voices. With an electric atmosphere and enthusiastic participation, the jam captured the true spirit of hip-hop—using rhythm and words to connect, express, and leave a lasting vibe across the campus.

INVESTITURE CEREMONY

WELCOMING NEW LEADERS

The ceremony marked the beginning of the new academic session at NIET, where the newly elected DSW Student Council members were formally welcomed and entrusted with leadership responsibilities. The programme included felicitations, motivational addresses, and an oath-taking that highlighted accountability, teamwork, and a strong sense of responsibility toward the student community. It celebrated leadership, promoted participation in campus governance, and encouraged council members to act with integrity while upholding the institute’s values throughout the year.

INDEPENDANCE DAY 2025

HONORING THE PAST, INSPIRING THE FUTURE

NIET celebrated Independence Day with pride and reverence, uniting students, faculty, and staff in a tribute to the nation's freedom and progress. The event highlighted the values of sacrifice, unity, and responsibility that form the spirit of independence.

The celebrations began with a spirited parade led by **Dr. Vinod M. Kapse**, Director, NIET, setting the tone of discipline and pride. This was followed by the flag hoisting, jointly conducted by the **Directors of NIET, NIET Pharmacy, and NIET PGDM**. As the tricolor soared high against the sky, the national anthem echoed across the campus, inspiring deep respect and patriotism.

Students of NIET presented a cultural program of patriotic songs, dances, and performances that showcased India's heritage and spirit of freedom. The leadership addressed the gathering with inspiring words, encouraging students to uphold independence through integrity, excellence, and service to society. The day served as both a tribute to the freedom struggle and a reminder of the responsibility of youth in shaping the nation's future. On this occasion, NIET also launched its magazine **Sangam** and the bi-annual newsletter **NIET Times**. The celebration reaffirmed NIET's commitment to nurturing achievers and responsible citizens dedicated to national growth.

SANGAM

CELEBRATION OF CREATIVITY & TOGETHERNESS

Organized by the **Sangrachna Club**, the event brought together students and faculty in a vibrant celebration of creativity and togetherness at NIET. The stage came alive with an engaging mix of dance, music, drama, and art performances presented by various student clubs, showcasing the institute's rich cultural talent. The programme fostered confidence, leadership, and teamwork while strengthening cultural bonding across the campus. It revived cherished memories and highlighted the power of cultural expression, ultimately celebrating unity and joyful participation within the institute.

VOICE & VERDICT

WHERE IDEAS MET IMPACT

Organized by the **Conventus Club** under the academic guidance of the Department of Languages, Voice & Verdict emerged as a dynamic platform for structured debate and critical dialogue at NIET. The multi-day championship brought together students from across the institute to engage in rigorous argumentation, thoughtful discussion, and intellectual exchange. Beginning with an extempore round, the event tested spontaneity, clarity of thought, and articulation, setting the tone for a competition rooted in analytical depth and informed expression.

The subsequent rounds followed the Asian Parliamentary Debate format, exploring themes such as “The Paradox of Progress in the 21st Century” and “Youth, Politics, and the Future of Democracy.” These debates encouraged reasoned perspectives, effective rebuttals, and collaborative thinking, while the audience interaction in the final round added further dimension to the discussions. Overall, the championship celebrated the spirit of debate, promoted intellectual curiosity, and reinforced the value of informed discourse as an essential part of campus life.

THEATRE WORKSHOP

LEARNING THROUGH PERFORMANCE

Organized by the **Kathputliyan Club**, the one-week workshop offered students hands-on exposure to theatre and visual storytelling through interactive sessions. Led by experienced college seniors, the programme featured trust-building exercises, expression activities, and focused training in voice modulation and method acting. Participants also explored the basics of scriptwriting and story development, gaining insight into both performance and pre-production. Overall, the workshop strengthened confidence, creativity, collaboration, and a deeper understanding of theatre and filmmaking. The workshop encouraged students to step beyond their comfort zones and explore new forms of expression. Through guided practice, participants developed stronger stage presence and a clearer sense of narrative flow.

OJAS & ANTARDHWANI

WHERE RHYTHM MET VOICE ON STAGE

Ojas unfolded as a vibrant dance competition that celebrated movement, expression, and creative storytelling on stage. Organized by the **Nritya Bhakti club** at NIET, the event brought together diverse dance styles, reflecting cultural richness and artistic passion. Each performance highlighted rhythm, coordination, and expressive choreography, turning the stage into a lively canvas of energy and motion.

Beyond performance, OJAS offered participants valuable exposure to stage etiquette, discipline, and confidence-building through live competition, making it a dynamic learning experience rooted in artistic excellence.

Antardhwani, organized by the **Harmonics & Cypher**, served as a dedicated platform for second-year students to showcase their vocal and instrumental talents. The competition featured soulful renditions and engaging musical performances that reflected individuality and emotional depth. Performing before a live audience helped participants strengthen stage presence, confidence, and musical expression, while celebrating the power of sound as a form of storytelling and connection.

The competition emerged as vibrant cultural highlights —blending rhythm and melody to celebrate creativity, confidence, and artistic expression on campus.

HEALTH INITIATIVES

Health Camp with Sharda Care & ANS Hospital

The Indian Red Cross Society, NIET, organized a comprehensive Health Camp on 20th September 2025 in collaboration with Sharda Care and ANS Hospital. Exclusively for faculty members, the camp offered expert consultations in Orthopaedics and Gynaecology along with routine blood test facilities. With participation from over 150 faculty members, the initiative reinforced the institute's commitment to promoting preventive healthcare and overall well-being among its staff.

Second Health Camp with Clove Dental Hospital

The IRCS NIET organized its 2nd Health Camp on 27th September 2025 in collaboration with Clove Dental Hospital, focusing on specialized healthcare services. Exclusively conducted for college faculty, the camp offered Skin, Dental, and Eye checkups, addressing health concerns often overlooked due to demanding schedules. With participation from over 150 faculty members, the initiative emphasized the importance of preventive and specialized health care in maintaining overall well-being and professional productivity.

AAROHAN

A WARM WELCOME TO THE NEW BATCH

Aarohan marked a vibrant and welcoming beginning for the new batch at NIET Greater Noida, setting the tone for their academic journey ahead. Designed as an orientation for first-year students, the programme introduced them to campus life through engaging sessions, warm interactions, and an atmosphere filled with enthusiasm and anticipation. The event reflected the institute's commitment to guiding students as they take their first steps into higher education.

A key highlight of the programme was the presence of **Mr. Ankur Warikoo**, whose address offered valuable perspectives on career growth, self-awareness, and personal development. His insights connected well with the students and encouraged them to approach their college journey with confidence and purpose. Aarohan concluded as an energetic and memorable welcome, marking the beginning of a new chapter for the first-year students at NIET.

GARBOTSAV

A NIGHT OF RHYTHM, DEVOTION, AND JOY

Garbotsav 2025 transformed the campus into a vibrant celebration of culture and devotion during the festive spirit of Navratri. Organized by the **NrityaBhakti Club**, the event brought together tradition and youthful energy through lively Garba circles and synchronized Dandiya performances that filled the evening with rhythm and colour.

The infectious enthusiasm of the dancers soon extended to the audience, turning the celebration into a shared cultural experience marked by unity and joy. More than just a festive gathering, the event reflected the beauty of collective participation and cultural pride. Garbotsav concluded on a high note, leaving behind lasting memories and a strong sense of community across the campus.

BIOTRENDZ

WHERE BIOLOGY MEETS INNOVATION

BioTrendz provided students with an engaging platform to explore emerging ideas and contemporary concepts related to the biological sciences. Conducted as a two-day conference, the event encouraged participants to think critically, exchange knowledge, and engage with evolving themes in biology, fostering academic curiosity and scientific awareness. Students took part in interactive sessions and discussions that promoted learning beyond the classroom. The conference created space for meaningful dialogue, collaborative thinking, and exposure to innovation-driven perspectives within the life sciences. BioTrendz concluded as a thoughtful academic initiative, inspiring participants to further explore research, innovation, and interdisciplinary approaches in biology.

IEEE ORITECH

GATEWAY TO GLOBAL ENGINEERING

IEEE ORITECH 2025, organized at NIET Greater Noida, served as an engaging technical awareness programme introducing students to the mission, vision, and global impact of IEEE. The event highlighted opportunities in research, innovation, and professional development, encouraging active participation in IEEE initiatives and leadership roles. Senior faculty members addressed the gathering, motivating students to broaden their perspectives and leverage IEEE as a platform for growth. The programme concluded with a batch felicitation ceremony, where the new leadership team of the IEEE Student Branch was formally entrusted with responsibilities.

CLOTH DONATION DRIVE

SHARING WARMTH, SPREADING KINDNESS

The Cloth Donation Drive organized by the IRCS NIET team aimed to support underprivileged communities through the collection and distribution of wearable clothing. The initiative was carried out with careful planning, ensuring organized collection, segregation, and distribution of the donated items. Beyond addressing immediate needs, the drive encouraged compassion and social responsibility among students, highlighting how collective efforts and simple acts of kindness can create a meaningful social impact.

ARTORA

WHERE CREATIVITY TOOK SHAPE

Artora unfolded as a two-day art exhibition at NIET Greater Noida, offering students a vibrant platform to showcase their creativity through visual expression. Organized by the **Kalakriti Club**, the exhibition featured a diverse collection of paintings, sketches, and mixed-media artworks that reflected imagination, emotion, and artistic exploration.

The displayed works ranged from abstract concepts to nature-inspired visuals, highlighted by bold colours and thoughtful themes. Students actively engaged during the exhibition, exchanging ideas, discussing techniques, and appreciating diverse artistic perspectives. The exhibition concluded as a thoughtful celebration of creativity and collaboration, leaving a lasting impression of artistic expression on campus.

JUGNU 3.0

BREAKING THE SILENCE ON MENTAL HEALTH

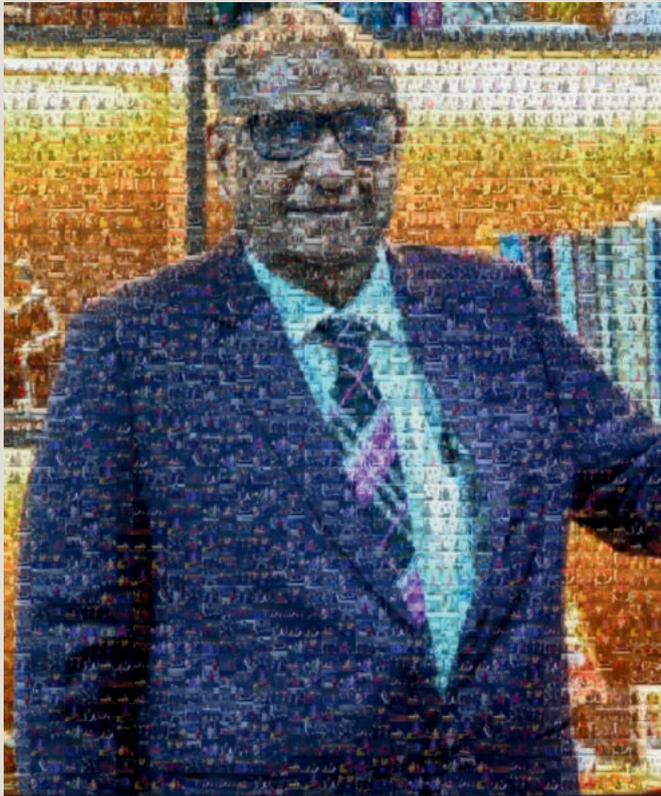

Jugnu was observed on campus as a meaningful cultural programme to mark **World Mental Health Day**. Organized by the **Hope in the Darkness Club**, the event focused on spreading awareness about mental well-being, emotional balance, and social responsibility through creative expression.

Students from various cultural clubs presented skits, songs, dances, and dramatic acts highlighting themes such as depression, anxiety, suicide prevention, and the importance of seeking help. Each performance encouraged open conversations and challenged the stigma surrounding mental health. The programme received strong engagement from students and faculty, reinforcing awareness and compassion across the campus.

FOUNDERS' DAY

A DAY OF VISION AND GRATITUDE

Warm birthday wishes were shared with Dr. O.P. Agrawal, Managing Director of NIET, as the institute observed Founders Day with gratitude and warmth. The occasion reflected his vision and the continued inspiration behind student-led efforts across the campus.

To mark the day, students took part in a Special Birthday Plantation Mission, promoting sustainability and care for the environment. A collage portrait featuring moments from campus events and achievements was presented as a gesture of appreciation. The occasion also featured a specially composed NIET anthem and a virtual tour highlighting the journey and growth of the institute. Together, these efforts made Founders Day a warm and memorable celebration.

GIRL IDEATHON

IDEAS, INNOVATION, AND FIRST STEPS INTO PROBLEM-SOLVING

The Girl Ideathon provided first-year students with an engaging platform to explore innovative thinking and creative problem-solving. Organized by the Design Thinking Club, the event encouraged participants to work on social and Smart India Hackathon-inspired themes, allowing them to freely express ideas and propose practical solutions to real-world challenges. The open format of ideation enabled teams to present their concepts through written explanations, visuals, and creative layouts, promoting clarity and originality.

With guidance from senior student mentors and evaluation by club coordinators, teams refined their concepts and strengthened their presentation skills. The structured mentoring and judging process helped participants improve feasibility and articulation of their ideas. The ideathon concluded with recognition of the top-performing teams, while all shortlisted participants were acknowledged for their efforts. The event successfully built confidence, creativity, and a hands-on approach to solution-building among first-year girl students.

DIWALI CELEBRATION

CELEBRATING LEGACY AND LIGHT

NIET celebrated the festive season with a joyful Founders' Day and Pre-Diwali Celebration, marking 25 years of excellence, growth, and togetherness. The occasion brought the NIET family together in a spirit of pride and gratitude, honoring the institute's journey while embracing the warmth and brightness of Diwali. The celebration reflected appreciation for dedication, shared achievements, and the strong sense of community that defines the campus. Filled with festive energy, smiles, and moments of reflection, the event beautifully captured the values, legacy, and unity that continue to light the way forward for NIET.

NATIONAL SERVICE SCHEME

SERVICE BEYOND SELF

The NSS (National Service Scheme) initiative held at our college, NIET, witnessed enthusiastic participation from over 65 students, reflecting a strong spirit of service and social responsibility. The volunteers actively engaged in various community-oriented activities, working collectively to promote awareness, cleanliness, and positive social values. Through their dedication and teamwork, the students not only contributed to the betterment of society but also embodied the true essence of NSS – “Not Me, But You.” The initiative proved to be a meaningful and impactful experience for everyone involved.

IEEE CONFERENCE

ADVANCING INNOVATION FOR A SUSTAINABLE FUTURE

NIET hosted an international academic exchange focused on emerging technologies and sustainable innovation through the Second IEEE International Conference on Emerging Technologies and Innovation for Sustainability (IEEE 2.0), held on 28th and 29th November 2025. The two-day conference brought together academicians, researchers, and industry professionals to discuss contemporary challenges and future-ready solutions aligned with sustainability goals.

The conference was graced by Prof. Mohammad Rehan, Director-General, National Institute of Solar Energy and Chief-Elect of the IEEE-UP Section, along with distinguished guests Prof. Satish Kumar Singh and Prof. Asheesh Kumar Singh. Insightful keynote addresses highlighted innovation-driven research and technological advancement, while the presence of Ms. Renata Sguario, Founder & CEO, Maxime Australia, added an international industry perspective. The conference concluded as a valuable platform for knowledge exchange, collaboration, and dialogue on sustainable technological progress.

ROTARACT CLUB

SERVICE, DIALOGUE, AND SOCIAL IMPACT IN ACTION

The Rotaract Club at Noida Institute of Engineering & Technology, Greater Noida, has steadily emerged as a platform for meaningful social engagement and student-led service. Through a series of sustained initiatives, the club addressed key areas of community well-being, including health awareness, education and literacy, environmental responsibility, hygiene, animal welfare, and peace-building. Each initiative reflected a hands-on approach to service encouraging students to step beyond academic spaces and contribute responsibly to society with empathy and purpose.

Central to these efforts were structured social welfare projects such as Project HOPE, which brought together multiple days of awareness drives, outreach activities, and community-focused actions aligned with Rotary’s core values. From promoting health and hygiene to supporting environmental sustainability and compassionate causes, the club’s initiatives created meaningful engagement and lasting impact. Together, these efforts strengthened a culture of service and responsibility at NIET, making Rotaract a positive and influential presence that continues to inspire students to serve with commitment and conscience.

Participants & Coordinators

TECHNICAL EVENTS

PROMPT PLAYOFF

Prompt Playoff, organized by Machine Magnets, brought together over 150 students and faculty for two days of immersive, AI-driven learning and competition. The event featured inspiring guest sessions by Mr. Manas Chopra (Founder, Geekroom) and Mr. Abhishek Kumar Singh (Scientist, ISRO), who shared valuable insights on artificial intelligence, entrepreneurship, and space research. Through engaging competition rounds focused on prompt engineering, creativity, and collaboration, the event offered participants a dynamic platform to explore the real-world potential of AI.

CODESPHERE

Codesphere, organized by the Coders Era Community, brought together aspiring technologists for an engaging exploration of emerging technologies and digital responsibility. Expert-led sessions on Cyber Ethics, data security, Agentic applications, and Blockchain with Eigen Layer offered practical insights into modern tech challenges and innovations. Interactive discussions and real-world examples encouraged deeper understanding and curiosity among participants. The event equipped participants with valuable knowledge and awareness to navigate and innovate confidently in the evolving digital landscape.

GO WITH ALGO 3.0

Go With Algo 3.0, organized by the ISTE Club at NIET Greater Noida, provided a competitive platform for students to strengthen their Data Structures and Algorithms skills through hands-on problem-solving. The event challenged participants to approach algorithmic problems beyond the regular syllabus, encouraging logical thinking, coding efficiency, and practical implementation. Through focused problem-solving rounds, students enhanced their understanding of core programming concepts while fostering collaboration and a strong coding culture on campus.

TECHNICAL EVENTS

MIND MERGE 2.0

Mind Merge 2.0, organized under the CSI Student Chapter, offered students a dynamic platform to sharpen their analytical, communication, and problem-solving skills. Designed as a multi-round technical event, it challenged participants through activities testing logical reasoning, quantitative aptitude, language proficiency, and Data Structures and Algorithms. The competitive yet collaborative environment encouraged teamwork and quick thinking, helping students build confidence in placement-level challenges while fostering a culture of learning and innovation on campus.

DEEP AI SUMMIT 2.0

Deep AI Summit 2.0, organized at NIET by the Department of Artificial Intelligence in collaboration with the EmergeX, brought together students, academicians, and industry experts to explore the evolving landscape of Artificial Intelligence. The summit featured insightful keynote sessions and discussions on AI innovation, ethics, leadership, and real-world applications, offering students a broader perspective on responsible and impactful AI development. An engaging panel discussion on AI ethics and influence encouraged critical thinking around bias, trust, and the future workforce, making the event a meaningful platform for knowledge exchange and forward-looking dialogue.

ROBOTICS & AI

The Robotics & AI session organized by the Cloud Shastra Club introduced students to the basics of robotics, electronics, and microcontroller programming through an engaging seminar and hands-on activities. Focused on Arduino-based learning, the session covered circuit design, programming logic, and applications, with participants exploring online simulations under expert guidance. The interactive format encouraged experimentation and problem-solving, making the event valuable for students interested in robotics, artificial intelligence, and embedded systems.
